There is nothing more painful than these diseases; but the pain can be removed and the disease cured by use of Porry Davis' Pain Killer.

This remedy is not a cheap Bensine or Petroleum product that must be kept away from fire or heat to avoid danger of explosion, nor is it an untried experiment that may do more harm than good.

ment that may do mere harm than good.

Pain Killer has been in constant use for forty years, and the universal testimony from all parts of the world is, it never fails. It net only effects a permanent cure, but it relieves pain almost instantaneously. Being a purely vegetable remedy, it is age in the hands of the most inexperienced.

The record of cures by the use of Pain Killin would fill volumes. The following extracts from letters received show what those who have tried it think:

Edgar Gady, Owatonna, Finn, 1847.

Edgar Gady, Owadonna, Etna., says:

About a year since my wife became inbject
to severe suffering from rheumens. Our
resort was to the PADE KILLER, which speedily
relieved her.

Charles Fowell writes from the Sallors'
Home, London:

and violent squampor the stomach. The decises
